ALMA MATER

Our Alma Mater,
To thee we now sing,
The scenes of our school days,
Loud thy praises now ring.

O Sevier County High,
We pledge heart and hand,
As the years shall roll by,
May you evermore stand.

Fond memories throng,
As we part in life's ways,
In the days that will come,
We shall all sing thy praise.

O Sevier County High,
We pledge heart and hand,
As the years shall roll by,
May you evermore stand.

The Sevier County High School ALMA MATER was composed by Reese Marshall and Earnestine McMahan in 1940.

Being named a SUPERIOR SEVIERIAN is the most prestigious honor a Senior at Sevier County High can achieve. It is not a commendation awarded by the student body, but by the faculty. The choices for this honor are partially determined on the following qualifications: courtesy, dependability, leadership, scholarship, participation in school activities, and service to Sevier County High.

The faculty also makes its decisions with regard to a student's potential in his or her future vocation and service to mankind as demonstrated by past efforts. In short, SUPERIOR SEVIERIANS, compliments its honorees on their past excellence while encouraging them toward more gratifying achievement in the community, the nation, and the world.

SOCCER

This years team was one of the better teams I've been on. We had talent in every area, especially the defense. We probably could have had a better season but we were not prepared well enough to go into the high school league for the first time. The competition was tough, but we made the best of our skills and came out with an 8-5-1 record. I think next year's team, with a little help from Coach Jon Tate and from a few new players, will be one of the best in the league.

Greg scores winning goal despite a G P defender

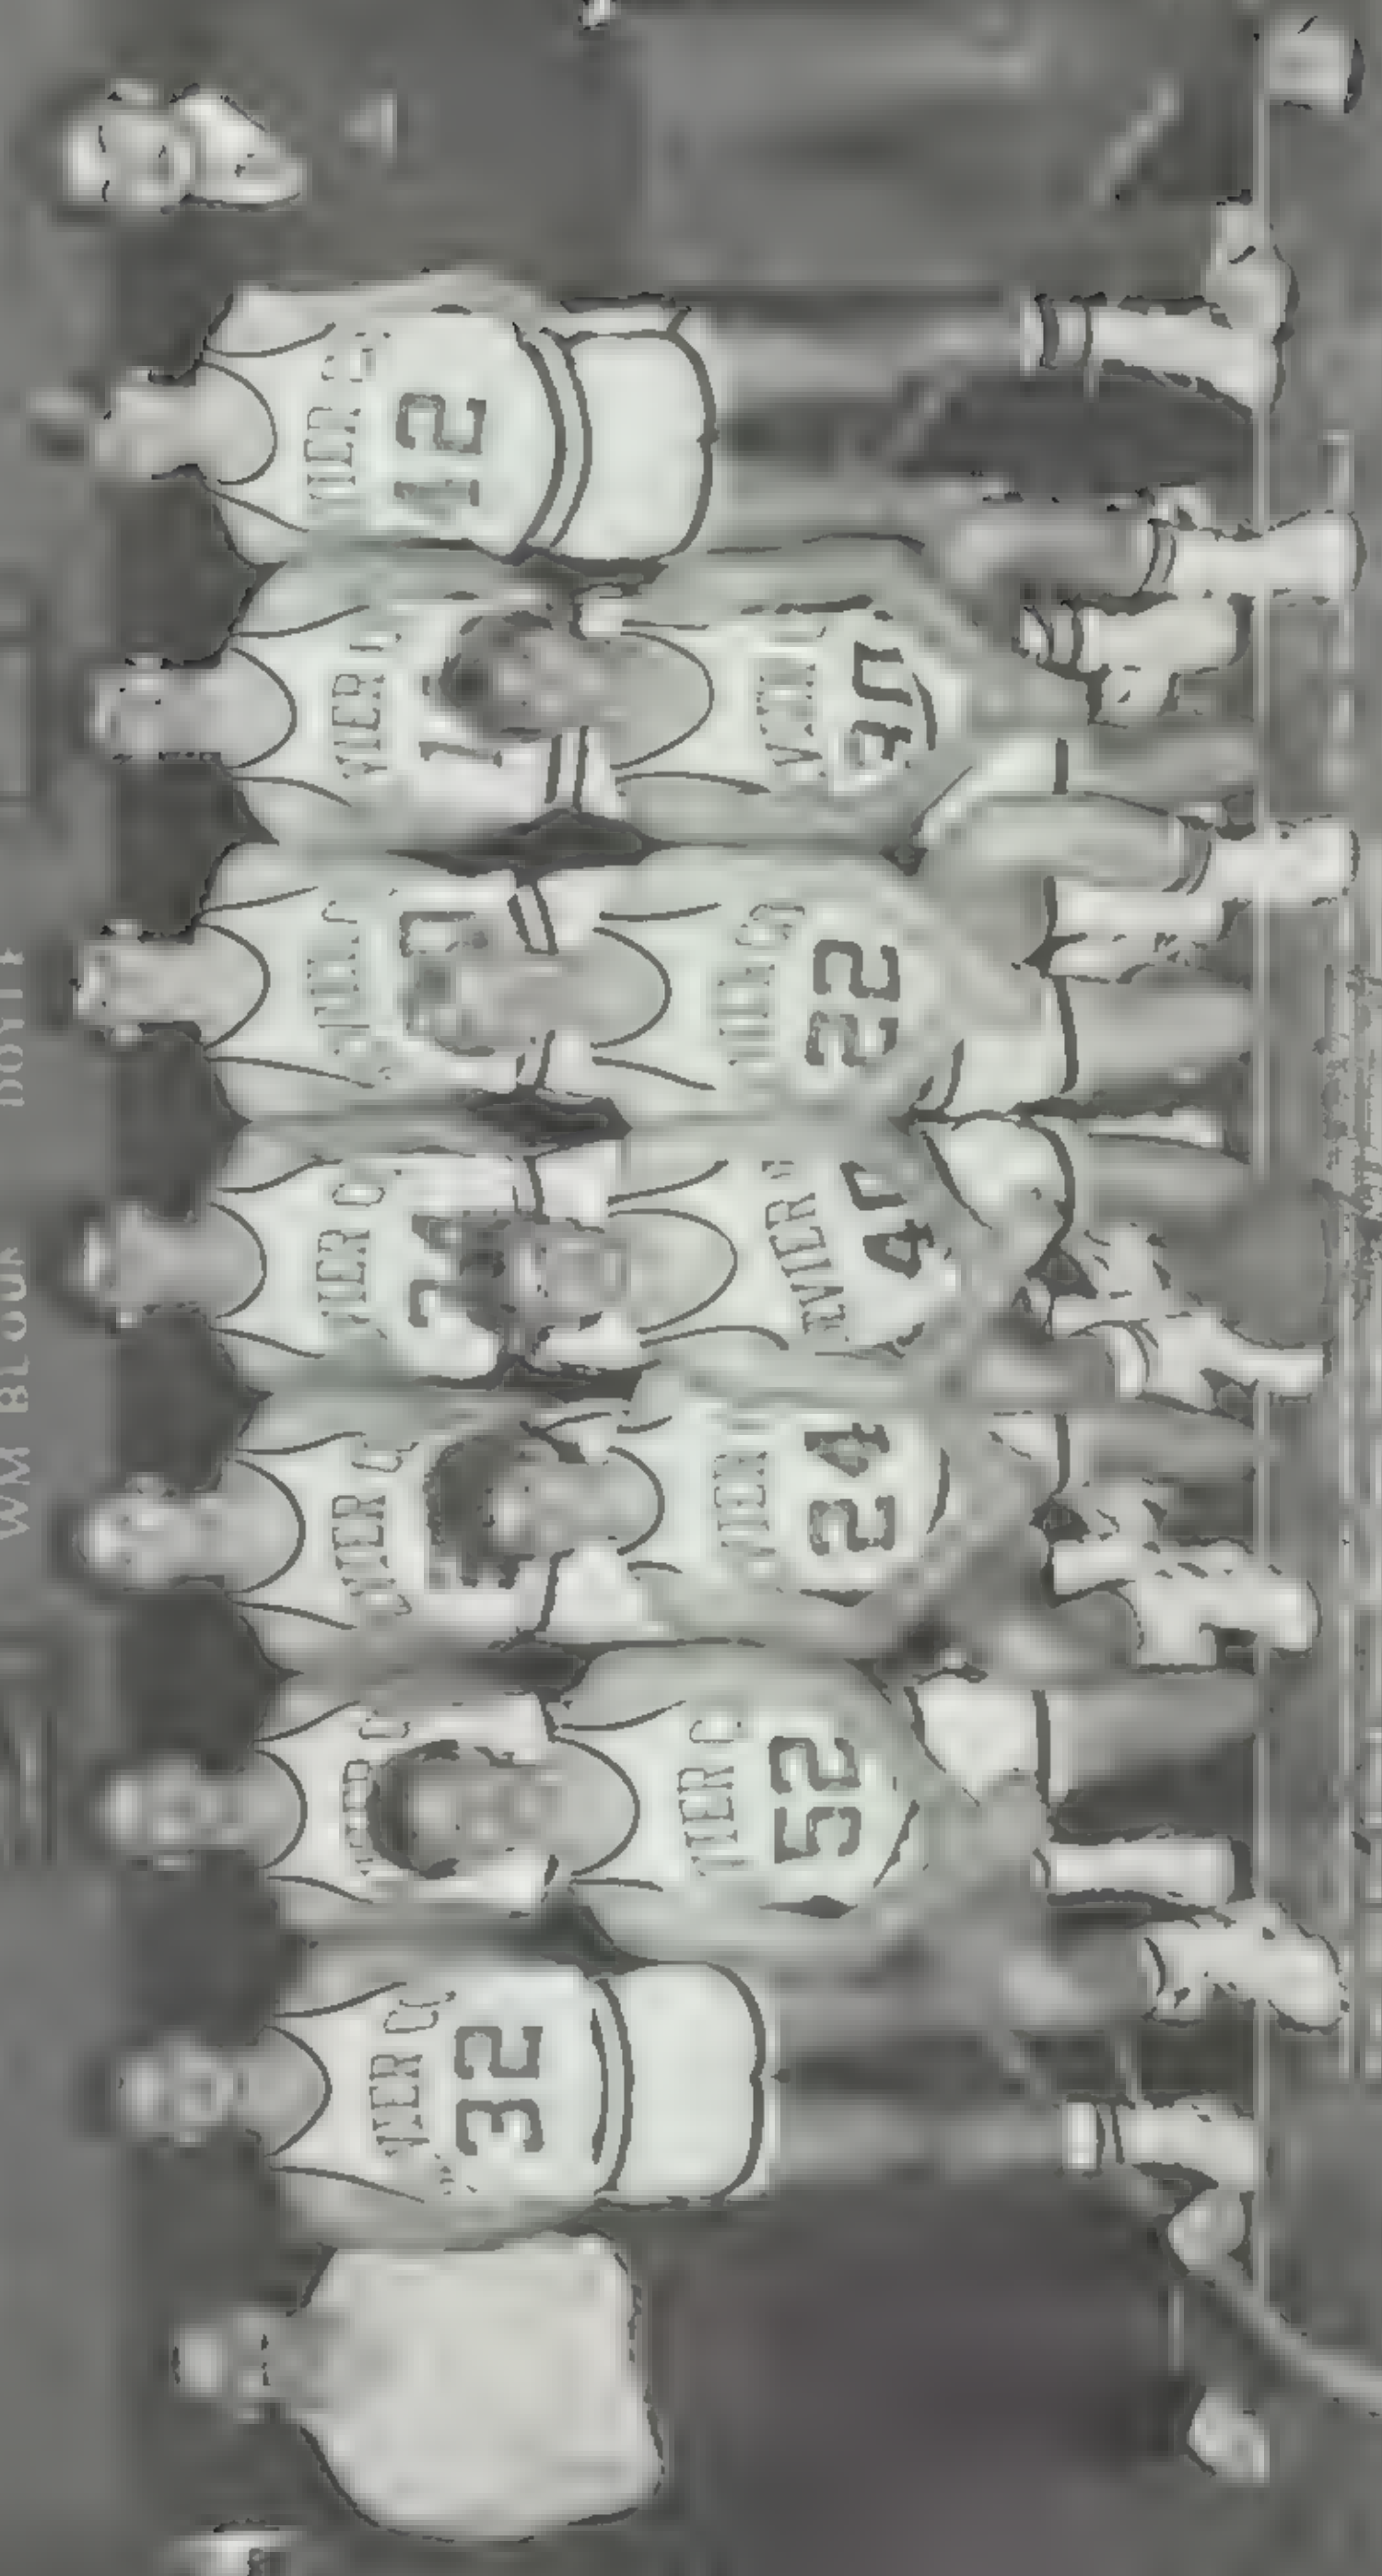

Mark scores a winning goal, to complete a good season.

I would like to congratulate the entire team on a successful first season. They all tried their best and gave it their best shot. I'm only sorry the season ended so soon. Overall, we came out with an 8-5-1 record, not bad for a team in it's first season of high school competition. I would like to thank Mr. Smith and Mr. Messer for their support. I wish all the luck in the world to next year's team and will be more than happy to help out in any way I can to help make SCHS Soccer a big success.

Our Father which art in heaven,
 Hallowed be thy name.
 Thy Kingdom come.
 Thy will be done in earth, as it is in heaven.
 Give us this day our daily bread.
 And forgive our trespasses
 As we forgive those who trespass against us.
 And lead us not into temptation.
 But deliver us from evil.
 For thine is the kingdom, and the power, and the glory forever.

Amen

To My Daughter

Thank you for 18 years of joy you have been a delight as a daughter. When you were so small and I was so young I wondered if I could raise you to be what you are today. Corners in our house hold awards, trophies and recognition of your accomplishments.

I like all mothers and daughters we have had some disagreement but they were only because I love you very much and wanted you to be the best you could be.

As you graduate and go away to the college of your choice I can no longer hold you with the reins I've held for all these wonderful years. No matter where your life takes you remember I love you so very much and I'm always behind you with each and every goal you undertake.

Thanks for making me know the joys that go with being a Mother.

I love you — Mom

Saturday evening when Billy Carroll decided to take his date to the movie, he discovered he only had \$1.32.

They went to the movie, even bought popcorn. He has THE CONNEXION™.

If you're like Billy, you can run out of cash over the weekend when your bank isn't open. That's why you need THE CONNEXION.

THE CONNEXION is the one card that gives you access to your money every minute, every hour, every day. Now and when you go to college, whether it's in Tennessee or over 6,000 locations across the U.S.,

THE CONNEXION puts you in touch with your money at home.

Ask for your CONNEXION card today. From then on, no matter what time or day, you'll be in touch when you need us.

Decisions, Decisions...

That is what growing up is all about — having the freedom to make choices for yourself. But with that freedom comes responsibility, and some of the most important decisions you will face concern your financial future.

When that time comes, we are here to help with an ear to listen to your needs and concerns, with information and advice to help you form an intelligent plan, and with services designed specifically for people like you.

Whether you will be heading off to college in another town or staying home to further your education or pursue a vocation, we offer the alternatives that make your banking decisions easy ones. Like

- Free checking accounts for students
- 24-hour banking (not only in Sevier County, but across the country)
- Low cost, high yield savings plans
- Loans for any worthwhile purpose

So when you are ready to declare your financial independence, come see us at Sevier County Bank. We are here to help you, and we've been doing just that for over five generations of Sevier County's citizens. After all, that is what community banking is all about.

Congratulations Kevin!!

The past two years of high school have been great! I do not know what I would have done without you. You were always there when I needed you, and now I am all alone. I do not know how I will make it through my last two years of high school. It will be so hard without you

Your friendship to me was my biggest treasure. You are the BEST! There is not one other person in this world that could take your place. I would not even consider another person

Now your high school days are coming to an end. You deserve the best out of life. I am so proud to have a brother like you! Good luck in college. All my love, Julie

Growing Up At Sevier County High

*As freshmen, we were strangers
Scared, frightened, and alone.
We were dependent on help from others,
We couldn't make it on our own.*

*As sophomores, we felt more secure
As we learned to adjust to the new
Our confidence began to bubble
And our pride was showing too.*

*When we became "big" juniors
We were oh-so-very-bold
We expressed our sense of freedom
By disregarding what we were told*

*As SENIORS, we have grown up in a sense
We're audacious, brave, and proud
We're eager to be independent
Yet reluctant to leave the crowd*

*We begin to face new endeavors
As we have never faced before
Out in the world, we'll be somewhat alone
With new challenges galore*

*Although we plan for future days
We'll remember Sevier County High
When we think of it and its memories
We'll reminisce, laugh, and cry.*

Let's been great getting to know you this

In the future, may not give you for lack of means
to come back. I hope to see you again up there next
